**THE SCHOOL**

Bishramganj Higher Secondary School is located in Bishramganj, Sepahijala, Tripura, near NH-8. It was established in 1946 as a primary school. It was upgraded to a high school in 1978 and to a higher secondary school in 1980–81.

Arts, Commerce, and Science streams, along with vocational subjects like IT and Agriculture, and ICT as part of the curriculum.

Co-curricular education is strongly emphasized for our students. Cultural activities are an integral part of the teaching-learning process. As a Vidyajyoti School, we provide dedicated instructors for Music, Dance, Yoga, Art, and Physical Education. Additionally, students have access to comprehensive library services and facilities for various sports, including Cricket, Football, Badminton, and Volleyball.

The campus covers 89,900 square metres, and the academic session runs from April to March.

The school became a Vidyajyoti School in 2022 and adopted English as its primary medium of instruction in 2024, with support in Bengali, Kokborok, and Hindi where needed. It is a co-educational institution offering
